Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

1. (Currently Amended) A method for preparing a Jewish religious scroll, comprising the steps of:

placing text of a Jewish religious scroll onto parchment with a human hand, wherein said parchment is kosher parchment, wherein said placement of said text is automated such that multiple letters are placed on said kosher parchment with a single movement of the human hand, and wherein said letters are placed onto said kosher parchment such that no two letters in said scroll come into contact with each other.

2. (Previously Presented) A method as claimed in claim 1, wherein said scroll is a Torah scroll.
3. (Previously Presented) A method as claimed in claim 1, wherein said scroll is a Megillah scroll.
4. (Previously Presented) A method as claimed in claim 1, wherein said scroll is a Mezzuzah scroll.
5. (Previously Presented) A method as claimed in claim 1, wherein said scroll is a Tefillin scroll.

6. (Previously Presented) A method as claimed in claim 1, further comprising the steps of creating a silkscreen template, said silkscreen template having openings therein corresponding to the text of a Jewish religious scroll.
7. (Previously Presented) A method as claimed in claim 6, further comprising the step of providing ultraviolet ink onto said parchment through said openings.
8. (Previously Presented) A method as claimed in claim 6, further comprising the step of providing heat sensitive ink onto said parchment through said openings.
9. (Previously Presented) A method as claimed in claim 8, further comprising the step of illuminating said parchment to cause said ink to harden on said parchment.
10. (Previously Presented) A method as claimed in claim 7, further comprising the step of illuminating said parchment to cause said ink to harden on said parchment.
11. (Previously Presented) A method as claimed in claim 6, wherein said template comprises a reproduction of a pre-existing Jewish religious scroll.
12. (Previously Presented) A method as claimed in claim 1, further comprising the step of etching said parchment with *Sirtut* grid lines.

Response of 10-12-06 to Office Action of 4-12-06

21. (Previously Presented) A method for preparing a Jewish religious scroll, comprising the steps of:
- (a) placing sirtut onto a parchment, wherein said parchment is kosher parchment; and,
 - (b) placing the text of a Jewish religious scroll onto said parchment using a silkscreening process;
 - (c) wherein said letters of said text are placed onto said kosher parchment with a human hand; and,
 - (d) wherein said letters are placed onto said scroll so that no two letters of said scroll come into contact with each other.
22. (Previously Presented) A method as claimed in claim 21, wherein said letters have crowns, and wherein all of said letters placed onto said scroll have said crowns attached.
23. (Previously Presented) A method as claimed in claim 21, wherein said letters comprise ultraviolet ink.
24. (Previously Presented) A method as claimed in claim 21, wherein said letters comprise heat sensitive ink.
25. (Previously Presented) A method as claimed in claim 21, wherein said letters have crowns, wherein all of said letters placed onto said scroll have said crowns attached, and wherein each of said letters comprise ink selected from the group consisting of: ultraviolet ink and

Response of 10-12-06 to Office Action of 4-12-06

heat sensitive ink.

26. (Previously Presented) A method as claimed in claim 21, further comprising the steps of reciting a blessing and imprinting the name of G-d on said scroll.
27. (Previously Presented) A method as claimed in claim 1, wherein said letters have crowns, and wherein all of said letters placed onto said scroll have said crowns attached.
28. (Previously Presented) A method as claimed in claim 26, wherein said letters have crowns, and wherein all of said letters placed onto said scroll have said crowns attached.
29. (Previously Presented) A method as claimed in claim 12, wherein the top of each letter in said scroll hangs from said sirtut.
30. (Previously Presented) A method as claimed in claim 21, wherein the top of each letter in said scroll hangs from said sirtut.
31. (Previously Presented) A method as claimed in claim 1, further comprising the steps of reciting a blessing and imprinting the name of G-d on said scroll.
32. (Previously Presented) A method as claimed in claim 29, further comprising the steps of reciting a blessing and imprinting the name of G-d on said scroll.
33. (Previously Presented) A method as claimed in claim 21, wherein: (a) said letters have crowns, all of said letters placed onto said scroll having said crowns attached; (b) wherein said method comprises the steps of reciting a blessing and imprinting the name of G-d on said scroll; and (c) wherein the top of each letter in said scroll hangs from said sirtut.

34. (New) A method as claimed in claim 1, wherein said scroll is prepared for use in Jewish prayer services.
35. (New) A method as claimed in claim 21, wherein said scroll is prepared for use in Jewish prayer services.
36. (New) A method as claimed in claim 21, wherein said scroll is prepared using two screens, a first screen of the text of the scroll without any of the names of G-d thereon, and a second screen with the names of G-d thereon, wherein said first screen is provided with spaces where the names of G-d are located on said second screen, and wherein said second screen is provided with spaces where said text of the scroll is located on said first screen.
37. (New) A method as claimed in claim 21, wherein said scroll is a Torah scroll.
38. (New) A method as claimed in claim 21, wherein said scroll is a Megillah scroll.
39. (New) A method as claimed in claim 21, wherein said scroll is a Mezzuzah scroll.
40. (New) A method as claimed in claim 21, wherein said scroll is a Tefillin scroll.
